

4th JKA Spring Camp Bad Camberg/Germany

29th of March to 31st of March 2024

with

Naka Tatsuya Shihan

Since **Naka Tatsuya Shihan** is teaching high-level JKA karate, participants **must have at least** attained the ranking of **3rd kyu**. We ask everybody to be in the dojo on time, so they can warm up by themselves. All classes will start with instruction right away, so we can get the most out of our time with Naka Shihan.
